Club members participate in a variety of four wheel drive activities, including trail runs, which sometimes include overnight camping, and competitive events, such as tuff truck races and sand drags.

Other club activities include Community service projects, such as the Guild School penny drive and ORV park cleanups, Roadside litter cleanup, Forest Service Volunteer work, and social activities, including Christmas parties and wildlife viewing trips. We hold monthly meetings and plan runs for every month of the year.

Membership is open to owners of most types of 4WD vehicles.
